## Hawaiian Electric Company.

The cleanest, brightest and really  
the long run, the cheapest and best light  
for use in the family residence, is the incan-  
descent electric light. Safe; nothing could  
be safer. A few days ago a prominent gen-  
tleman of Honolulu came rushing down to  
the office of the Electric Company and said:  
"Give me figures for wiring my house, and I  
want it done at once; no more lamps for me,  
last night a lamp tipped over and it came  
so near setting fire to the house and burning  
my children and I take no more risks."  
This is the sentiment of quite a number in  
the past few weeks, who have ordered their  
houses fitted with the perfect light.  
Just think it over and make up your mind  
that you want the best and safest light; send  
for the Hawaiian Electric Company and tell  
them what you want.  
We have a complete stock of everything in  
this line and have just received a lot of the  
very latest designs in chandeliers

A VIGOROUS BATTLE.  
From the New Era, Greensburg, Ind.  
The following is a statement of facts by a veteran of the  
late war. No comrade will need further  
proof than their friend's own words, as  
here given.  
Squire John Castor, of Newport, Ind.,  
is the narrator, and an honest, respect-  
ed citizen he is, too. He said: "I have  
been troubled with rheumatism in all  
my joints, ever since I went to the war.  
It was brought on by my exposure  
there. It came on me gradually and  
kept getting worse until I was unable  
to do any work. I tried several phys-  
icians, but they did me no good. They  
said my trouble was rheumatism re-  
sulting in disease of the heart, and  
that there was no cure for it. Never-  
theless I had lived and fought the dis-  
ease for thirty years and did not intend  
to die, simply because they said I

I want to swear to that.  
must, so I hunted up some remedies for  
myself, and finally happened on Dr.  
Williams' Pink Pills for Pale People. I  
asked some of my neighbors about the  
medicine, for it had been used by sev-  
eral persons in the community and they  
recommended it very highly. I procured  
a box. The pills helped me right  
away, and I continued taking them. I  
commenced taking them last fall, and  
finished taking the sixth box a few  
months ago. I am not bothered with  
the rheumatism now—the medicine has  
cured me. I can most certainly recom-  
mend Dr. Williams' Pink Pills for Pale  
People."  
These pills are not only good for  
rheumatism, but are valuable for any  
disease that arises from impoverished  
or bad blood. They do NOT act on the  
bowels.

Herald. "Until I used this remedy it
